

## MEDICATION DISPOSITION

From: Javon Steffen, RN, BHMSD Corporation Nurse

Re: Medication Disposition

Due to Indiana Law, the following will apply: Students in Kindergarten through grade 8 are not allowed to transport medication FROM school. A parent or guardian must pick up the medication from school, OR authorize in writing a person 18 or older to pick up the medication and take it home. Students in grades 9 through 12 will be allowed to transport medications home ONLY if the student's parent/guardian provides written permission stating such. Your student has the following medication at school

---

If the above medication is not picked up by May 20<sup>th</sup>, 2016, the medication will be destroyed according to policy. Medication will not be retained for use during the next school year.

If you have any questions regarding this procedure, please feel free to call me at the school. Thank you for your cooperation.
