Frequently Asked Questions:

Q: Why am I being asked to provide so many supplies?

A: Our experience shows these quantities are typical for elementary students for an entire school year. We encourage school supply shopping during back to school sales and we will be happy to store supplies in the classroom to be used throughout the school year. Name brands are suggested, but any and all brands will be accepted.

Q: Can my child bring a Trapper Keeper?

A: No, they do not fit in school desks.

Q: Will my child need gym shoes?

A: We do not require students to keep a pair of gym shoes at school if your child wears gym shoes on the days s/he has P.E. class. It can be helpful to have an extra pair at school if your child frequently wears flip flops, sandals, dress shoes, or if they play hard in the grass or mulch areas.
